

Name: _____

Grade: _____

November 1, 2026

Dear Church School Students and Families,

During the month of November, Holy Trinity Church School is once again hosting our annual “Feed the Homeless Thanksgiving” project. All the food collected will be taken to the *Neighborhood Resilience Project* pantry in Pittsburgh. Our goal is to completely fill their pantry by December. Each student’s participation is vital to accomplishing this goal for the less fortunate in our city.

- Therefore, please use the attached list and fill your bag with groceries. *Make sure your name and grade on the bag(s) so your class can get credit for your donation.*
- **The bags should be taken to the Conference rooms across the hall from the Fireside Room.** GOYAns will tally and keep count of the number of items each class donates. As an added incentive, classes will compete for a donut party in January, compliments of GOYA. Follow the tally sheet on the wall at the snack station that will record the number of items collected by each class each week.
- **Please bring your bags back during the month of November.** The Resilience people have asked us to bring whatever we collect each week if possible because their shelves are very empty. All food will be delivered to the *Neighborhood Resilience Project* pantry by December 6th. Thank you for your participation in this outreach project.

With Love in Christ,

Chair People – Athan Lupnacca and Emma Rusu

PS Again, make sure names and grade remain attached to the bags so that classes can get credit. Feel free to fill more than one bag and attach your name on the bags!
